

Simulation and Gaming in the Context of a Virtual  
Classroom in Disaster Medicine Teaching  
The European Master in Disaster Medicine (EMDM)  
experience

Dissertation Thesis

For the “European Master in Disaster Medicine (EMDM)”

Medical Master Degree in Disaster Medicine

submitted by

Fabrizio La Mura, MD

Novara, Italy

Relator: Prof. Francesco Della Corte, MD

# Contents

**“ELITARIAN” EDUCATION VERSUS “MASS” EDUCATION** ERRORE. IL SEGNALIBRO NON È DEFINITO.

## **LEARNING THEORIES: BEHAVIORISM, COGNITIVISM AND CONSTRUCTIVISM**..... 9

WHAT IS A “THEORY” AND WHAT IS A “MODEL” ? ..... 9

*What is a theory?* ..... 9

*What is a model?* ..... 9

BEHAVIORIST SCHOOL OF LEARNING: TEACHING THE “WHAT” (FACTS) ..... 12

COGNITIVIST SCHOOL OF LEARNING: TEACHING THE “HOW” (PROCESSES AND PRINCIPLES) THE ROLE OF MEMORYERRORE. IL SEGNALIBRO NON È DEFINITO.

THE ROLE OF INDIVIDUAL DIFFERENCES ..... 14

CONSTRUCTIVIST SCHOOL OF LEARNING: TEACHING THE “WHY” (SITUATED AND CONTEXTUAL LEARNING)ERRORE. IL SEGNALIBRO NON È DEFINITO.

HOW A “CLASSROOM” LOOKS LIKE FROM THE POINT OF VIEW OF BEHAVIORISM, COGNITIVISM, CONSTRUCTIVISMERRORE. IL SEGNALIBRO NON È DEFINITO.

*Behaviorism in the Classroom* ..... 20

*Critiques of Behaviorism* ..... 20

*Cognitivism in the Classroom* ..... 21

*Critiques of Cognitivism* ..... 21

*Social Learning Theory (SLT)* ..... 21

*SLT in the Classroom* ..... 22

*Critiques of Social Learning Theory* ..... 22

*Social Constructivism in the Classroom* ..... 23

*Critiques of Social Constructivism* ..... 23

*Multiple Intelligences in the Classroom* ..... 25

*Critiques of MI* ..... 25

*Brain-Based Learning in the Classroom* ..... 26

*Critiques of BBL* ..... 26

*Other Learning Theories of Note* ..... 26

HOW AN “ON-LINE CLASSROOM” LOOKS LIKE FROM THE POINT OF VIEW OF BEHAVIORISM, COGNITIVISM, CONSTRUCTIVISM ..... 27

*Implications for Online Learning in Behaviorism* ..... 27

*Implications for Online Learning in Cognitivism* ..... 28

*Implications for Online Learning in Constructivism* ..... 34

*These Theories are not strictly differentiated but tend to overlap* ..... 39

## **THE EUROPEAN MASTER IN DISASTER MEDICINE (EMDM) CLASSROOM TYPE AND ITS ACTIVITIES**..... 42

## **SIMULATION AND GAMING IN EMERGENCY AND DISASTER MEDICINE**ERRORE. IL SEGNALIBRO NON È DEFINITO.

FROM “LEARNING BY DOING” TO “LEARNIN BY LIVING”: SKILL AND SITUATION TRAINING ..... 45

COMMON MATERIALS AND METHODS USED WHEN INVENTING A NEW GAME ..... 48

1) *Storyboarding* ..... 48

2) *Creating the “victims” (Game Avatars)* ..... 50

3) *Realism doesn’t necessarily stand for “photorealism”: Non-photorealistic rendering versus photorealistic rendering* ..... 51

4) *Game type* ..... 53

*Building a sharable library: compliance to the SCORM standard* ..... 54

## **VIRTUAL REALITY SIMULATIONS: GOALS AND PITFALLS IN THE CONTEXT OF EMERGENCY AND DISASTER MEDICINE TEACHING, LEARNING AND TRAINING** ..... 56

VIRTUAL ENVIRONMENTS AND REAL-TIME SIMULATIONS ..... 57

GENERAL GAME STRUCTURE ..... 61

GAME INTERFACE ..... 62

STUDENT SIDE INTERFACE ..... 62

TEACHER SIDE INTERFACE ..... 63

AN EXAMPLE ..... 64

SYSTEM ARCHITECTURE ..... 66

THE DATABASE ..... 67

WEB APPLICATION ..... 69

STUDENT FUNCTIONS SERVER COMPONENT ..... 69

TEACHER FUNCTIONS SERVER COMPONENT ..... 70

VR ENGINE COLLABORATION SERVER ..... 70

IMPLEMENTATION ..... 71

ADOBE ATMOSPHERE AND ATMOSPHERE COLLABORATION SERVER .....	71
PHP .....	72
JAVASCRIPT .....	72
MYSQL .....	73
LMS INTEGRATION .....	73
<b>SYNERGY OF INTERACTION THROUGH THE SOCIAL CHANNEL: MULTIUSER ASYNCHRONOUS ENVIRONMENTS .....</b>	<b>75</b>
THE SPHEEG ISLAND PROJECT .....	75
<i>Information exchange among players</i> .....	75
<i>Information exchange between the players and the Game Master</i> .....	75
<i>Timing of the Simulation</i> .....	76
<i>Game architecture</i> .....	76
<i>Message board</i> .....	76
<i>Interactive map</i> .....	77
<i>Status board</i> .....	78
<i>Movie archive</i> .....	78
IMPLEMENTATION .....	79
THE MAIN INTERFACE .....	79
THE GAME SERVER .....	80
THE MOVIE ARCHIVE .....	80
SPHEEG ISLAND, THE GAME.....	81
<i>General setting</i> .....	81
<i>Geographics</i> .....	81
<i>Game usability</i> .....	82
THE RICELAND ® - HDP MODULAR COURSE AS A FRAMEWORK FOR RESEARCH, EDUCATION AND SPECIFIC TRAINING IN DISASTER MEDICINE .....	83
<i>Identifying the possible risk factors in a given area: welcome to Riceland ® virtual Land</i> .....	83
<i>Managing the resources that will be used to implement the plans: spending two months in Riceland</i> .....	83
<i>Testing the plans within a simulated disaster through a simulation game provided on a proper simulation environment</i> .....	84
HDPNETS™ HOSPITAL DISASTER PREPAREDNESS NETWORKED SIMULATOR.....	84
<i>Game Goals:</i> .....	85
<i>Game Layout:</i> .....	85
<i>Users:</i> .....	<i>Errore. Il segnalibro non è definito.</i>
<i>Other Interesting Features:</i> .....	87
<b>CONCLUSIONS .....</b>	<b>88</b>
<b>TABLES AND FIGURES .....</b>	<b>89</b>
<b>REFERENCES .....</b>	<b>90</b>
